

VOLUNTEER COORDINATION INTERN

Unpaid Internship with Growing Hope

About Growing Hope:

Growing Hope is a grassroots non-profit organization in Ypsilanti, Michigan dedicated to empowering individuals, groups and communities through gardening and increasing access to healthy food. We aim to use good food as a vehicle to Grow Healthy People, Grow Healthy Places, and Grow Healthy Economies.

Through our volunteer program, Growing Hope engages people of all ages and abilities to support our work, and we work to grow diverse leaders in our community through our volunteer opportunities.

Position Description:

As part of Growing Hope's general operations, we seek a part-time intern to support the efforts of our Volunteer Coordinator in providing outreach, recruitment, orientation and management of individual and group volunteers. Growing Hope utilizes volunteers across all program areas, and internal operations, and is also seeking to expand opportunities to workplace and community groups seeking team-building and other benefits through service.

Specifically, the intern will work on data management and evaluation, collecting and tracking volunteer data. Intern duties may also include assisting in developing volunteer program and orientation materials, connecting with partners and local food suppliers, doing research and writing, and organizing events and/or meetings.

Qualified candidates will exhibit the following:

- Available 10-15 hours/week during internship period
- Has reliable means of transportation (public or private) to and around Ypsilanti.
- Passionate about food systems and Growing Hope's mission.
- Experience working with volunteers, and/or being a volunteer in multiple settings
- Ability to effectively work with many ages, income levels, education levels, and race and ethnicities in a community setting.
- Strong oral and written communication skills
- Ability to take a leadership role, and promote leadership and agency within others
- A sense of cultural competency for the Ypsilanti community
- Organized with spreadsheets and data collection/entry. Database experience a plus.
- Experience conducting community outreach and engagement to multiple audiences
- Competency in research and writing. Strongly computer literate and efficient in MS Office.
- Gardening, farming, or construction experience a plus.
