

The Home Vegetable Garden Program supports working class Ypsilanti area residents to garden at home. We provide participants with free garden beds or containers, horticultural education, and connection with other gardeners. Program participants receive free garden beds, compost, seedlings, seeds, and other tools and supplies. In addition to the materials, each gardener receives a mid-season visit from our staff, and the option of a seasoned garden mentor for additional support.

**APPLICATION DEADLINE IS  
MARCH 7, 2021  
[www.growinghope.net](http://www.growinghope.net)**

## **PARTICIPATION REQUIREMENTS & PRIORITIES**

- Want to garden - new and experienced gardeners welcome
- Live in Ypsilanti or Ypsi Township
